* Respondents were allowed to select more than one answer.

** Number of pets per person was not collected.

1. Data contained is all self-reported by respondents.

2. Results are reliable to within +/- 5 percent at the 95% confidence level.

3. Duplicate respondents were removed when possible based on reported demographic information.

4. Artificial inflation of total count by individuals refusing survey cannot be ruled out due to census being conducted over two days.

5. Census participants included representatives from: City Net, Illumination Foundation, Orange County Health Care Agency, Orange County Probation, Orange County Sheriff's Department, and Orange Police Department.
