

CITY COUNCIL AGENDA REPORT

City of Anaheim OFFICES OF THE CITY CLERK & CITY ATTORNEY

DATE: JANAURY 26, 2016

FROM: OFFICE OF THE CITY CLERK
OFFICE OF THE CITY ATTORNEY

SUBJECT: PUBLIC HEARING REGARDING ORDINANCE
ESTABLISHING COUNCIL DISTRICT BOUNDARIES,
COUNCIL DISTRICT ELECTION DATES AND RELATED
MATTERS

ATTACHMENT (Y/N): YES

ITEM # 35

RECOMMENDATION:

That the City Council, following a public hearing, take the following actions by Motion:

(1) Determine that this Ordinance establishing electoral districts and election dates for said districts is not subject to the California Environmental Quality Act (CEQA) pursuant to Sections 15060(c)(2) and 15060(c)(3) of the State CEQA Guidelines because it will not result in a direct or reasonably foreseeable indirect physical change in the environment, is not a project, as defined in Section 15378 of the State CEQA Guidelines and, further, is categorically exempt pursuant to Section 15320 of the CEQA Guidelines (Class 20, changes in organization of local government agencies); and

(2) Introduce an Ordinance adopting the City Council districting map identified as the "Recommended Plan (Map 3)" in the Final Report of the Anaheim Advisory Committee on Electoral Districts, identifying Districts 1, 3, 4, and 5 in said map as the City Council districts holding elections in 2016 and Districts 2 and 6 in said map as the City Council districts holding elections in 2018, and such other matters as are contained therein related to formation of six City Council districts.

BACKGROUND

On October 6, 2015, the City Council received and filed the Final Report of the Advisory Committee on Electoral Districts ("Committee"). The full Final Report, including attachments thereto, is appended to this staff report as Attachment 3. The Final Report was unanimously approved by the Committee and recommended that the City Council adopt a districting plan identified therein as Map 3, as revised (*see* Public Submission Tab #P31, *see also* Attachment A of Final Report). The Committee-recommended districting plan is termed herein as "Recommended Plan (Map 3)."

Thereafter, October 20, 2015, November 17, 2015 and December 8, 2015 pursuant to previously published public notice, the City Council held public hearings during which public testimony was taken and City Council discussion occurred regarding district boundaries contained in the Recommended Plan (Map 3) and the sequencing of elections in such plan, such testimony and discussion being hereby expressly incorporated as part of the record for this Ordinance.

For reference, the October 20, 2015 Staff Report is attached to this report as Attachment 2. The October 20, 2015 Staff Report analyzed the Recommended Plan (Map 3) in light of legal standards governing the establishment of districts. This report also summarized the features of the Recommended Plan (Map 3) that coincided with established districting criteria. Additional factors substantiating that conclusion are found in the Final Report's more detailed discussion.

Following the aforementioned hearings, the City Council held an additional public hearing on district boundaries and related matters on January 12, 2016. After the close of the public comment portion of the January 12th hearing, the City Council unanimously directed that the City Attorney prepare an Ordinance establishing City Council district boundaries and adopting the Recommended Plan (Map 3) as the City's first districting map. The Council also directed that the Ordinance include sequencing of elections as follows: Districts 1, 3, 4 and 5 to hold elections in 2016 and Districts 2 and 6 to hold elections in 2018.

Attachment 1 to this Staff Report consists of the draft Ordinance, which is described in more detail below.

MATTERS FOR COUNCIL DIRECTION/ACTION AT TONIGHT'S HEARING

Following testimony and discussion at tonight's public hearing, the Council may discuss, direct and take action on the following item:

- Introduce an Ordinance adopting the City Council districting map identified as the "Recommended Plan (Map 3)" and identifying the districts holding elections in 2016 and 2018, respectively.

Should the City Council introduce the attached Ordinance at tonight's public hearing, then the third and final public hearing will be held to approve, on second reading, the Ordinance establishing district boundaries. The third public hearing is scheduled for February 9th.

As previously noted, if tonight's hearing does not lead to introduction of the proposed Ordinance (or if substantive amendments following introduction are thereafter made) then additional meetings would be required in order to be consistent with the statute summarized above.

DRAFT ORDINANCE

The draft Ordinance adopts the Recommended Plan (Map 3) both by depiction and by narrative description of the six district's boundaries. The descriptions were prepared by the City's demographer consultant and reviewed by the Planning Department for accuracy with the map. Additionally, the County Registrar of Voters was consulted to ensure that the narrative descriptions of the districts and the map were sufficient for the Registrar of Voters' purposes. The City's demographer will attend tonight's meeting to answer any questions that arise.

The districts created by the draft Ordinance would be used for City Council elections (other than the Mayor, who would continue to be elected City-wide) commencing with the November 2016 election.

Consistent with the City Charter, Council members presently serving and elected "at large" (as well as any successors who may be selected to fill a vacancy) would continue in office for the duration of their term on an "at large" basis. Eligibility criteria (including duration of residency requirements) are not addressed in this draft Ordinance because the City Charter specifies such criteria in full.

As noted above, Districts 1, 3, 4 and 5 are scheduled for election in November 2016 and Districts 2 and 6 are scheduled for election in 2018. Because it is not possible at this time to know which one of the four districts holding an election in 2016 will draw the random, short, two-year term, the draft Ordinance includes placeholders in Sections 1.26.020.020 and .030 that will be filled in by ministerial act of the City Clerk following the random selection in 2016.

IMPACT ON THE BUDGET

Funds sufficient to take action on this matter and to interact with the Registrar of Voters to implement districting are included in the City Clerk's 2015-16 budget.

Respectfully submitted,

Linda Andral
City Clerk

Michael R.W. Houston
City Attorney
