City of Anaheim
DEPARTMENT OF PUBLIC WORKS

DATE: JUNE 10, 2008
FROM: DEPARTMENT OF PUBLIC WORKS
SUBJECT: AWARD OF CONTRACT – TWILA REID FIRE STATION NO. 11
TRAFFIC SIGNAL IMPROVEMENT PROJECT

ATTACHMENT (Y/N): YES ITEM # 14

RECOMMENDATION:
Privilege

That the City Council, by Motion, award the contract to the lowest responsible bidder, Macadee Electrical Construction, of Chino, California, Contractor License No. 583125, Classification C-10, in the amount of $82,611.00 for the installation of new traffic signal for the Twila Reid Fire Station No. 11 located at 3078 Orange Avenue, and authorize the Finance Director to execute the Escrow Agreement (mandated by Section 22300 of the Public Contracting Code) pertaining to contract retentions with Macadee Electrical Construction.

DISCUSSION:
The bids are summarized as follows:

1. Macadee Electrical Construction ........................................ $ 82,611.00
2. Poulk and Steinle ............................................................. $ 88,210.00
3. California Professional Engineering ..................................... $ 90,674.00
4. Steiny and Company Inc. ................................................... $ 91,527.00
5. C.T&F. Inc. ........................................................................ $ 92,195.00
6. PTM General Engineering Service ....................................... $ 92,290.00
7. Pro Tech Engineering Corp. ................................................. $ 95,750.00
8. KDC Inc. dba Dynaelectric .................................................. $ 96,633.00
9. Zuniga Electrical ............................................................... $ 97,000.00
10. Moore Electrical Contracting .............................................. $102,500.00
11. CSI Electrical Contractors Inc ........................................... $128,800.00
12. JFL Electric Inc. ............................................................... $140,000.00
This project will provide for the installation of a new traffic signal at the recently completed fire station located at 3078 Orange Avenue. The primary intent of this project is to signalize the main station driveway to facilitate the egress of emergency response units onto the adjacent street.

The bid price is consistent with the engineer’s estimate, reflects the current bidding environment, appears to be reasonable, and is within the available funding.

Liquidated damages for this project shall be $500.00 per day.

**IMPACT ON BUDGET:**

There is no impact on the General Fund. Adequate funds are available (472-412-A717-7897) in the FY 2007/08 Capital Improvement Program Budget.

Respectfully submitted,

Natalie Meeks
Director of Public Works
