The final RFES shall recommend the stand-off distance for Licensee's Facilities, and Licensee shall post signage on Licensee's Facilities, the City Facilities, and the Integrated Facilities in conformance with the study and applicable Laws. This signage shall be posted in the manner required by the Director. If Licensee's Facilities are mounted on City Facilities, the Director shall require Licensee to post such additional notices on the City Facilities and the Integrated Facilities so that Licensor's employees and agents inspecting or maintaining these facilities will avoid coming within the standoff distance.

6.3.2. Licensee shall provide an updated RFES Study with any equipment modifications which would affect the stand-off distance identified in the final RFES Study. In such cases, Licensee shall post additional signage as required by the Director.

Within thirty (30) Days after the Effective Date, or prior to commencement of construction of Licensee's Facilities, whichever occurs first, Licensee shall deposit with Licensor a letter of credit, certificate of deposit, cash or a cashier's check in the amount of **Fifty Thousand Dollars (\$50,000.00)** (the "Deposit"). The letter of credit, the certificate of deposit, and the cashier's check shall name the City of Anaheim as the sole payee. The Deposit shall secure the performance of the terms of this Agreement, removal of Licensee's Facilities, and the restoration of the Premises. The Deposit does not limit Licensee's liability or obligations under this Agreement, including but not limited to, the full restoration of the Premises.

7.1.2. The Deposit may not be used for the payment of the last month's License Fee, except with the prior written approval of the Director.

7.1.3. If a letter of credit is utilized as the Deposit it shall be an irrevocable letter of credit drawn against a federally insured bank or savings and loan association, with an expiration date of not earlier than five (5) years from the date of delivery of such letter of credit, and which is a sight draft, payable upon submittal of the Director's signature. The letter of credit shall not be made contingent upon the occurrence of a default. Licensee shall renew or extend the letter of credit prior to its expiration.

Failure of Licensee to renew or extend the letter of credit shall constitute a breach of this Agreement and shall constitute cause for the Licensor to terminate this Agreement.

7.2. License Fee; Amount and Adjustments.

7.2.1. As consideration for this Agreement, Licensee shall pay Licensor a monthly license fee in the amount of **Two Thousand and Six Hundred and Fifteen Dollars and Fifty-Five Cents (\$2,615.55)** (the “License Fee”), payable on the first Day of each month, commencing on the first Day of the month after issuance of the Notice to Proceed (“Commencement Date”). Thereafter, this monthly fee shall be annually adjusted on July 1 of each fiscal year in accordance with Subsection 7.2.3. The License Fee for a partial month shall be prorated on a 30 Day basis. Licensee shall not exceed the number of Antennas indicated in the Site Plan (“Base Antennas”) without compliance with Subsection 10.14. and other applicable sections of this Agreement. If Licensee adds an antenna or antennas beyond the Base Antennas, the Licensor shall pay an additional **Two Hundred and Ten Dollars (\$210.00)** a month per Licensor-approved antenna (“Additional Antenna Fee”). The first installment of the Additional Antenna Fee shall be increased, by the greater of: (i) five percent (5%) per year from the Effective Date, or (ii) by an amount equal to the increase in the Consumer Price Index (as defined in Section 7.2.3) from the Effective Date. Thereafter, this monthly fee shall be annually adjusted on July 1 of each fiscal year in accordance with Subsection 7.2.3. This fee shall be paid with the License Fee.

This fee shall be paid with the License Fee. The Accessory Structure Use Fee shall be increased each year on July 1 in accordance with Subsection 7.2.3. Should Licensee wish to use additional Licensor-owned facilities, in addition to any Accessory Structures, such use shall require the written consent of the Director which he or she may withhold at his or her discretion. Licensee shall pay an Accessory Structure Use Fee for the area of the building or structure used by Licensee.

7.2.3. The License Fee, the Accessory Structure Use Fee, and the Additional Antenna Fee shall be increased, by the greater of: (i) five percent (5%) of the previous fiscal year’s fee amount, or (ii) by an amount equal to the increase in the Consumer Price Index (“CPI”). The CPI shall mean the Consumer Price Index (All Items, Base 1982-84 = 100) as published by the United States Department of Labor, Bureau of Labor Statistics for All Consumers for the Los Angeles-Riverside-Orange County

Licensor shall communicate all License Fee increases to the Licensee in writing thirty (30) Days prior to the adjustment.

7.2.4. Licensee hereby acknowledges that late payment by Licensee to Licensor of the License Fee and other sums due hereunder will cause Licensor to incur costs not contemplated by this Agreement, the exact amount of which will be extremely difficult to ascertain. Such costs include, but are not limited to, processing and accounting charges. Accordingly, if any License Fee installment or any other sum due from Licensee shall not be received by Licensor within thirty (30) Days after such amount is due, Licensee shall pay to Licensor a late charge equal to five percent (5%) of such overdue amount as well as interest on the outstanding amount which shall accrue at the rate of five percent (5%) per annum. In addition to this remedy, Licensor may avail itself of all other rights and remedies under applicable Law.

“This insurance company shall not cancel this policy until after thirty (30) Days prior written notice has been given to the City Clerk, City of Anaheim, 200 S. Anaheim Blvd., Anaheim, CA

92805, except in the event of cancellation for non-payment of premium which shall endeavor to provide for not less than ten (10) Days notice.”

Each insurance policy required by this Agreement, except policies for Workers’ Compensation and Employers Liability, shall contain the following clauses or shall otherwise provide for the following conditions:

“It is agreed that any insurance maintained by Licensee pursuant to this Agreement shall be primary to, and not contribute with, any insurance or self-insurance maintained by the City of Anaheim.”

Licensor’s Risk Manager is hereby authorized to reduce the requirement set forth herein in the event he determines that such reduction is in Licensor’s best interest.

Exercise of any of the above remedies, however, is an alternative to other remedies Licensor may have and is not the exclusive remedy for Licensee's failure to maintain insurance or secure appropriate endorsements.

21. RELOCATION.

If the Premises and/or City Facilities are destroyed or damaged, without contributory fault of the Licensee, so as, in Licensee's judgment, to hinder its effective use of Licensee's Facilities, Licensee shall have the option to restore the Premises and/or the City Facilities at its sole cost and expense and temporarily relocate Licensee's Facilities. In such case, Licensor and Licensee shall mutually agree in writing within ten (10) Business Days to provide a temporary site on Licensor's property ("Temporary Site"), which will be equally suitable for Licensee's use and not interfere with the use of the property by the Licensor, the public, other government entities, or third party property rights. Subject to all applicable provisions of this Agreement, including, but not limited to Sections 4, 6, 10 and 13, Licensee may construct, operate, and maintain its substitute facilities on the Temporary Site at its sole cost and expense until the earlier of (i) the expiration of the term of this Agreement; (ii) the termination of this Agreement; or (iii) the restoration and operation of Licensee's Facilities on the Premises and/or the City Facilities. Licensee shall continue to pay the License Fee during its use of the Temporary Site, except that the License Fee shall be abated between the time the Premises and/or City Facilities are destroyed or damaged and the substitute facilities become operational.

Alternatively, in the case of damage or destruction to the Premises and/or City Facilities, without contributory fault of the Licensee, Licensee may elect to terminate this Agreement upon thirty (30) Days' written notice to Licensor, which notice shall also be sent by Licensee to those who hold a financial interest in Licensee's Facilities. In the event Licensee elects to terminate the Agreement, Licensee shall be entitled to reimbursement of any prepaid License Fee covering the period subsequent to the date of damage to or destruction of the Premises and/or the City Facilities. Licensee shall remove Licensee's Facilities and all other personal property which it owns from the Premises in the manner set forth in Subsection 22.5.

22. TERMINATION.

22.1. Grounds for Termination. Except as otherwise provided herein, this Agreement may be terminated as follows:

22.1.1. By either Party upon a default of any covenant or term hereof by the other party, which default is not cured within sixty (60) Days of receipt of written notice of default to the other party (without, however, limiting any other rights of the Parties pursuant to any other provisions hereof);

22.1.2. By Licensee, upon sixty (60) Days prior written notice to Licensor, for cause if it is unable to obtain any license, permit or other governmental approval necessary for, the construction, installation and/or operation of the Licensee's Facilities or Licensee's business;

By Licensor, upon sixty (60) Days prior written notice to Licensee and those entities identified in Subsection 23.6., if Licensee shall make any assignment for benefit of creditors or file any petition under the Bankruptcy Code of the United States or any state, or have any such petition filed against it;

22.1.7. By Licensor, upon sixty (60) Days prior written notice to Licensee and those entities identified in Subsection 22.6., if its City Council decides, in its sole discretion, at a public hearing that Licensee's use conflicts with any applicable Law.

22.2. Notice of Termination. Each Party shall give Notice of Termination to the other party in writing by certified mail, return receipt to the address stated in Section 28. Such notice shall be effective upon receipt at the address stated in Section 28, as evidenced by the return receipt, or such later date as stated in the Notice. All License Fees which are paid prior to the termination date shall be retained by Licensor.

22.3. Early Termination. If Licensee terminates this Agreement for a reason other than that authorized by this Agreement, Licensee shall pay to Licensor as liquidated damages for early termination, an amount equal to six (6) months of License Fees. The Deposit may be applied to cover these liquidated damages.

22.4. Abandonment. Should Licensee fail at any time for a continuous period of six (6) months to use the Licensee's Facilities or the Premises or any part thereof for the purposes contemplated by this Agreement, then Licensor may terminate this Agreement, upon sixty (60) Days' prior written notice to Licensee and those entities identified in Subsection 22.6., to the extent of the portion so abandoned or discontinued. In addition to any other rights or remedies, Licensor shall immediately be entitled to exclusive possession and ownership of the portion so abandoned or discontinued, without the encumbrance of this Agreement. Upon termination, Licensee shall have the restoration obligations set forth in Subsection 22.5.

22.5. Restoration. Except as otherwise provided herein, upon termination or expiration of the term of this Agreement, Licensee shall, at its sole cost and expense, promptly, safely, and carefully remove all Licensee's Facilities from the Premises and the City Facilities and restore the Premises and the City Facilities to the condition in which the Premises and the City Facilities existed immediately prior to installation of Licensee's Facilities, normal wear and tear excepted. If Licensee fails to commence performing the work required by this subsection within thirty (30) Days following expiration or the earlier termination of this Agreement, or if Licensee fails to diligently perform all work required by this subsection to its completion, then Licensor shall have the right to perform such work. In such event, Licensee shall reimburse Licensor for all costs and expenses reasonably incurred by Licensor in performing such work without risk, exposure, or liability and without further notice to Licensee, within thirty (30) Days of written notice. Upon receipt of payment, Licensor shall return Licensee's Facilities and other equipment removed by Licensor pursuant to this subsection. The provisions of this subsection shall survive the expiration or earlier termination of this Agreement. Licensor may use the Deposit for the purposes set forth herein. Except for facilities already abandoned under Subsection 22.4., the facilities shall be deemed abandoned if Licensee does not claim the facilities and pay within thirty (30) Days of written notice any: (i) outstanding restoration costs; (ii) storage fees; and (iii) other reasonable costs paid by Licensor. In addition to the remedies contained in this subsection, Licensor may avail itself of all other rights and remedies under applicable Law.

22.6. Additional entities. Licensee has notified Licensor that the following entity has an interest in the Licensee's Facilities and related equipment because of financing arrangements: **[INSERT NAME OF ENTITY]**. If Licensor removes the Licensee's Facilities or related equipment, Licensor must give written notice to the above entities at the addresses provided, informing them that Licensee's Facilities or related property have been removed. Except for facilities already abandoned under Subsection 22.4., Licensor shall also inform these entities that the facilities will be deemed abandoned if they are not claimed and the following are not paid within thirty (30) Business Days: (i)

outstanding restoration costs; (ii) storage fees; and (iii) other reasonable costs paid by Licensor.

23. LIMITATIONS OF CITY'S LIABILITY.

If Licensor terminates this Agreement other than as authorized by this Agreement, or Licensor breaches this Agreement, the liability of Licensor for damages to Licensee, whether arising in contract, tort (including negligence) or otherwise, shall be limited to the actual and direct costs of equipment removal and shall specifically exclude any recovery for incidental, special, punitive, or consequential damages of any kind, including, without limitation, loss of income, loss of business, loss of profits, diminished value of the business as a going concern, future expectation of profits, or other pecuniary loss or related damage to Licensee.

24. INTERRUPTIONS OF SERVICE.

24.1. Maintenance. If maintenance of the City Facilities or the Property requires Licensor's employees or agents to come within the stand-off distance identified in the final RFES Study, Licensor shall notify Licensee forty-eight (48) hours in advance of this maintenance and request that Licensee temporarily shut off power to the Antennas. Licensee shall comply with this request; however, Licensor will attempt to conduct its activities according to Licensee's preferred schedule unless that schedule would unreasonably delay maintenance or increase costs. Upon completion of the maintenance, Licensor shall notify Licensee, and Licensee may then activate the power to its facility. Licensor shall not be liable to Licensee or any other party for any interruption in Licensee's service or interference with the operation of Licensee's Facilities.

24.2. Emergency Situations. Licensee understands that Licensee's Facilities are located on a public property and Emergency Situations may develop from time-to-time that requires power to the Antennas to be immediately shut off. Licensee agrees that if an Emergency Situation occurs, Licensor shall have the right to immediately shut off power to the Antennas for the duration of the Emergency Situation. If reasonably possible, Licensor shall immediately notify Licensee. Notwithstanding the foregoing, Licensor will not immediately shut off power to the Antennas provided the Director determines in his or her sole discretion that (i) the Emergency Situation does not require an immediate shut off of power to the Antennas; and (ii) Licensee's employee or agent will perform the shut off of power within a timeframe which will not exacerbate the Emergency Situation. Licensee agrees not to hold Licensor responsible or liable for and shall protect, defend, and indemnify and hold Licensor harmless for any damage, loss, claim, or liability of any nature suffered as a result of the loss of the use of Licensee's Facilities or other communication facilities. At its sole cost and expense, Licensee agrees to install

a clearly marked and accessible Antenna power “cut-off” switch to be located on City Facilities. The Licensee Fee, prorated to a 365-Day year, shall be abated for any day, or part thereof, in which power to the Antennas is shut off pursuant to this Subsection 24.1. If, on account of the shut off, Licensor interrupts Licensee’s use of the Licensee’s Facilities for a period greater than ten (10) consecutive Days, Licensee shall have the right to terminate this Agreement upon thirty (30) Days prior written notice to Licensor.

24.3. Non-emergency Situations. Except as provided elsewhere within this Agreement, and outside of Emergency Situations, if the Director determines in his or her sole discretion that continued operation of Licensee’s Facilities would cause or contribute to an immediate threat to the public health, welfare and safety (except for conditions or threats associated with human exposure to radio frequency emissions which are in compliance with the stand-off distance identified in the final RFES Study unless otherwise indicated), the Director may order Licensee to discontinue its operation of these facilities. Licensee shall immediately comply with this order, and Licensee may not commence operations until the Director determines in his or her sole discretion that the facilities no longer cause or contribute to an immediate threat. Licensee agrees not to hold Licensor responsible or liable for and shall protect, defend, and indemnify and hold Licensor harmless for any damage, loss, claim, or liability of any nature suffered as a result of the loss of the use of Licensee’s Facilities or other communication facilities. If, on account of a situation described in this Section, Licensor interrupts Licensee’s use of the Licensee’s Facilities for a period greater than ten (10) consecutive Days, Licensee shall have the right to terminate this Agreement upon thirty (30) Days prior written notice to Licensor.

25. ASSIGNMENT AND SUBLETTING.

Licensee shall not assign or transfer this Agreement or sub-license all or any portion of the Premises without the prior written consent of Licensor; provided, however, Licensee shall have the right to sublease or assign its rights under this Agreement, without Licensor’s consent, to any of: (i) its subsidiaries; (ii) entities in which Licensee owns a majority interest; (iii) entities which own a majority interest in Licensee; (iv) entities in which a majority ownership interest is held by an entity owning a majority interest in Licensee; (v) successor legal entities; or (vi) any entity acquiring substantially all of the assets of Licensee, so long as such assignment does not result in an increase or substantial change of the type of facilities on the Premises. Any unauthorized assignment or sub-license shall be void and shall immediately terminate this Agreement.

26. CONDEMNATION.

In the event the whole Premises is taken by eminent domain, this Agreement shall terminate as of the date title to the Premises vests in the condemning authority. In the event a portion of the

Premises is taken by eminent domain, Licensee shall have the right to terminate this Agreement as of said date of transfer of possession, upon written notice to the Licensor. In the event of any taking under the power of eminent domain, Licensee shall not be entitled to any portion of the reward paid for the taking of the fee title and Licensor shall receive the full amount of such award. Licensee hereby expressly waives any right or claim to any portion thereof. Although all damages, whether awarded as compensation for diminution in value of the license or to the fee of the Premises, shall belong to Licensor, Licensee shall have the right to claim and recover from the condemning authority, but not from Licensee, such compensation as may be separately awarded or recoverable by Licensee for all damages recoverable under condemnation law.

27. DISPUTES.

The Parties agree to make a diligent, good-faith attempt to resolve any claim, controversy or dispute arising out of this Agreement (“Disputes”). Authorized representative shall be selected by each party to resolve Disputes. If the Authorized Representatives of the Parties are unable to resolve a Dispute arising within thirty (30) Days after notice from one Party to the other, such Dispute will be submitted promptly to the senior executive officers of the Parties, who will meet, in person or by telephone, not later than ten (10) Days after the date such Dispute was submitted to them. In the event that the officers cannot resolve the Dispute within ten (10) Business Days after the matter is submitted to them, the Parties shall promptly submit the Dispute to mediation. Each Party shall bear its own costs of mediation. If mediation does not result in settlement within forty-five (45) Days after the matter is submitted to mediation, either Party may file legal action for a court determination of the Dispute.

28. NOTICE.

Except as otherwise provided herein, any notices, bills, invoices, or reports required by this Agreement shall be deemed received on: (i) the day of delivery if delivered by hand, facsimile or overnight courier service during the addressee’s regular business hours; or (ii) on the third Business Day following deposit in the United States mail if delivered by mail, postage prepaid, to the addresses listed below (or to such other addresses as the Parties may, from time to time, designate in writing).
